Purpose of the Report

This annual performance report presents an account of activities and finances for the financial year April 2017- March 2018. The contents of the report are prepared to fulfil the requirements of:

- Section 7 of the constitution for the Featherston Community Centre Charitable Trust,
- the requirements under the Section 42A of the Charities Act 2005, and
- the Financial Reporting Act 2013.

Purpose of the Featherston Community Centre Charitable Trust

The Centre is eligible to adopt Tier 4 reporting under the new Charities reporting requirements, but has chosen to report under Tier 3. In accordance with the reporting requirements for a Tier 3 Charity the following information (a- g) is provided:

- a) The Featherston Community Centre Charitable Trust was established in 1992 to operate and maintain the facilities at 14 Wakefield Street, Featherston. The trust is registered (#651752) under the Charitable Trusts Act 1957.
- b) The purpose of the Trust as stated in Section 3 of the constitution is to:
 - provide a community space for the provision of services, ongoing and one-off events, activities and classes that maintain and enhance the well-being of the people of Featherston and the South Wairarapa.
 - provide a community facility for meetings, activities, events and projects.
 - provide facilities to the community for professional, voluntary, and social service providers.
 - co-operate with agencies, organisations, people and groups in matters pertaining the well-being of the community.
 - serve and support all people in Featherston and the South Wairarapa district.
- c) The Trust owns a building and land and is governed by a Board of Trustees. At the end-of-year (31 March 2018), the eight trustees were Emily Greenberg (Chair), Graham Evans (Treasurer), Shannon Steven (Secretary), Rupert Watson, Patsy Wooles, Snita Ahir-Knight, Paul Mason and Maud Bot. There was one vacant position. Three new board members joined during the year – Snita Ahir-Knight (July 2017), Paul Mason (February 2018) and Maud Bot (March 2018). Three board members resigned during the year – Natalie Wyatt-Renney (resigned November 2017), Jen Olson (resigned November 2017) and Wendy Dyson (resigned February 2018). I also note

that our treasurer Graham Evans resigned April 2018 (just after the financial end of year) and that Maud Bot is now Treasurer.

- d) The main sources of funding during the April 2017-March 2018 financial year were from:
- rental income (approximately \$18,700) (including gold coin or koha/person from groups) for use of the Centre's offices for services, meetings, activities and classes.
 - grants and donations (approximately \$51,900) from Lotteries, TG McCarthy Trust, WairarapaREAP, Lion Foundation, Eastern & Central, First Sovereign, Featherston's Own Charitable Trust, the Open All Hours (Featherston Supermarket) Community Fund and the Featherston Community Board). We are very grateful to all these donors who make it possible for us to continue to operate and deliver these services. The Lion Foundation grant was specifically for the installation of new carpet and linoleum, most of which was installed this year.
 - additional funds of \$3,200 were raised from the 2017 Wairarapa Art Sale, \$864 from our two Givealittle campaigns and \$1,494 from interest, donations, carboot sales and koha. One of the Givealittle campaigns (\$600) was specific for purchasing six well-loved billboards of local persons by the artist Kathy Bartlett, which are displayed along the main entrance.
 - furthermore, we rely on in-kind donations of services from businesses and individuals.
- e) The main methods used to raise funds are as mentioned above.
- f) Volunteers are key to the sustainability of the Trust's assets and purpose. The board members are volunteers and they and other volunteers supplement front office duties and help to maintain the buildings and grounds. We also rely on an extensive list of businesses and individuals for everything from marketing to provision of firewood.
- g) The Trust enables services to be provided for the community by maintaining a safe and welcoming space and by facilitating the provision of information, networking and collaboration. This is achieved by maintaining and promoting the facilities at 14 Wakefield Street. The Centre operations supports and enables a diverse range of opportunities and activities that directly improve the well-being of the Community.

Our current plan includes:</p> <ul style="list-style-type: none"> • New/refreshed signs • Marking of carpark • Development of outdoor spaces <p>Provide signs and facilities that meet H&S and accessibility requirements.</p>	<p>The Board secured a \$20k grant from the Lion Foundation to replace the carpet throughout the building and the linoleum in the kitchen. This has made a great improvement to the Centre.</p> <p>We struggled to get quotes to mark the carpark and these came in after the end of the financial year. We will pursue grants to mark out parking spaces in the 2018/19 year.</p> <p>The Board has identified the need for sound-proofing of the offices, new curtains and secured storage space for a number of the groups who hire the Centre each week.</p> <p>The Board has worked throughout the year on a potential partnership with a neighbour which will hopefully result in needed upgrades to the entrance and grounds in 2018/19.</p>

<p>Finances</p> <p>Finances are managed to ensure the long-term sustainability of the Centre.</p>	<p>Manage funds for the purpose of keeping the Centre functioning for the foreseeable future.</p> <p>Prepare annual budgets that reflect the Centre's funding strategy.</p> <p>Apply for funding from donor organisations for specific projects or to meet operational needs.</p> <p>Raise funds from a mixture of rental income, grants, and fund-raising events.</p> <p>Increase rental income by expanding the number of tenants and Centre users.</p> <p>Ensure sufficient reserves and insurance are maintained to cover unexpected emergencies or changes in funding and income.</p>	<p>Identify needs for funding and review funding strategy at least annually.</p> <p>Review tenancy contracts and rental rates on an annual basis.</p> <p>Board members and Centre Manager ensure funding applications are well-written and accountability reports are completed on time.</p> <p>Use an appropriate accounting package to keep track of income and expenditures, and which provides efficient and transparent review of annual accounts.</p> <p>Have financial accounts reviewed annually and report to the community.</p> <p>Earmark funds for specific building and grounds maintenance.</p> <p>Pursue new funding sources including:</p> <ul style="list-style-type: none"> • Legacy/bequest programme (develop a brochure) • Apply to Council Annual Plan and Community Board grants each year 	<p>Accounts are maintained on XERO and are reviewed and reported annually at the AGM and to the Charities Commission.</p> <p>While the Centre's finances are sound, the need to maintain low rental rates combined with a small population results in an organisation where money is always tight.</p> <p>Expenses to operate and maintain the facility of approximately \$45,500 were paid out:</p> <ul style="list-style-type: none"> • \$18,500: Operating expenses including insurance • \$27,000: Wages for the part-time Centre Manager and custodian <p>New fittings and fixtures were purchased costing \$19,800 for:</p> <ul style="list-style-type: none"> • New carpet • New linoleum • New printer & chairs • Artwork (6 billboards) for outdoor space <p>Income of approximately \$74,500 was sourced from:</p> <ul style="list-style-type: none"> • \$18,700: Facility rental • \$3,200: Wairarapa Art Sale • \$1,000 in interest • \$500 in other fund-raising • \$51,100 in grants and donations, including some to be spent in the 2018/9
--	--	---	---

			<p>year.</p> <p>The successful Featherston Art Sale is now established as an annual fund-raising and community-led development event.</p> <p>Overall we made a small surplus over the period, and appreciate that we need to work hard to grow the income to meet the challenges ahead and to maintain and improve the building and grounds.</p> <p>The Trust maintains a Contingency Reserve of \$15,000 for unforeseen event or events that might make it difficult to meet ongoing expenses. This reserve provides breathing space for the Trust to consider and determine a suitable course of action to correct the shortfall, without detracting from ongoing service provision to the community.</p>

9. Other Notes:

Statement of Commitments

As at the balance date the trust had no capital commitments (2017: nil)

Building Valuation

The building was assessed as having a Market Value of \$220,000 as at September 2014

Land Valuation

Quotable Value Ltd assessed the land worth \$275,000 and the improvements at \$75,000 in their Sept 2017 Rating Valuation. In these accounts, the Trustees have determined to combine the land and buildings into one account of \$345,000. This obviously undervalues the building, but is appropriate for the purposes of the accounts.

Contingency Reserve

In quarter 1, 2016, the Board established a Contingency Reserve of \$15,000 for the express purpose of being available in the event of an unforeseen event or events that might reduce the Trust's income to such a level that it might be difficult to meet ongoing expenses of operating the Trust's assets. By having the funds available from the reserve in such a situation, the Board will have a breathing space to consider and determine a suitable course of action to correct the shortfall, without detracting from ongoing service provision to the community. The Reserve was not required in the 2017/18 year.
