Centre*  
Featherston

Our first signs of winter!

Makes us even more grateful for Meridian Community Decarbonisation Funding and our HVAC heat-pump system!

Thanks to their Certified Renewable Energy customers, they've been able to invest more than \$1 million through the fund to make a real impact for many community groups - like us!

## Featherston Community Centre

### Private office hire available

We rarely have office space available for long-term hire but due to a change of circumstance....

There is a private lockable office with it's own heatpump available over winter.

Be where the people are, in the buzz and where great ideas are born.

## Look Good, Feel Better

Look Good Feel Better provides free services for any person with any cancer at any stage. The programme is focused on skin, hair, mind and body – and the feel better moments provide practical tools and tips to help people face cancer with confidence.

Friday 2nd May

The two-hour sessions include simple, easy-to-follow make-up techniques and provide a feel-better moment in a session that is about you the person, not a patient. You will receive a Feel Better Confidence Kit made up of donated skincare and cosmetics specifically selected to best match your skin tone, based on the information in your registration form.
