

August Updates

If you have been following our Facebook page you will be aware that tomorrow we are hosting a tea party alongside wisdom and wellbeing to bid farewell to a much loved member of our Community Beverly McNally. Let's all raise a cup of tea in her honor and remember the impact she made in to our community in such a short time. Beverly became fast friends with many of us and will be missed. She was determined to make our community better and would have been an valuable asset to the Paetumokai Charitable Trust of which she just became an elected board member of.

Bev's Tea Party

Join Wisdom and Wellbeing For Tea in Bev's Honor

All Are Welcome

*Wednesday 6th of August 10.30-Noon
Featherston Community Centre
14 Wakefield Street Featherston*

We have reached August already, and we have a lot of wonderful things happening at the centre. Including new staff members as well as new projects. Jasmine who is our new project coordinator, she is working behind the scenes on Red Badge of Courage, Knit-A-Thon, Knitting Lessons and Kids Zone: After school care. We also had Celeste in for a short time who unfortunately ended her time with us due to personal circumstances. While we hope she doesn't stay a stranger to us we understand that family comes first. We are very thankful to MSD for making these roles possible and giving us the ability to have staff in the office to help our beautiful community.

Wairarapa Winter Jackets are still available to pick up all year round here, we have had some wonderful donations that have gone as quickly as they have been placed. Please come to the centre if you wish to either donate some jackets or are in need of one.

Behind the scenes Renee and Jasmine have been organizing seminars and clinics available to the community. Which includes a free budget seminar will be available on the 7th of August hosted by Marama through REAP from 10 - Noon, she will be available to help talk to you through her services as well as making a budget work for you.

FREE
