

FEATHERSTON

community centre

Going clean and saying bye to our legacy diesel heating system!

A huge thanks to everyone who has put up with the disruptions!

As we prepare this email, tradespeople are doing the finishing touches on our new heating system!

Join us Tuesday 2nd July at 1pm for afternoon tea, as we celebrate the Big Switch!

Our large kitchen is growing in popularity, especially for groups having a function in the Kauri room. Thanks to our funders in this space so far - South Wairarapa Rotary, Trust House Foundation, Transpower Community Fund and Lotteries Facilities.

Please specify that you need both rooms when booking, Kauri room bookings do not have automatic access to the new kitchen.

Hard conversations - a safe space to share, learn and grow.

Shaping Our Future
Next event - Wednesday 31st July, 7pm

Part 2 of a 3-part conversation/ kōrero series exploring our collective Aotearoa New Zealand culture, understanding present impacts, and collaboratively working towards a better future, all within the spirit of Matariki.
