**PropertyBrokers**

When Hana Makin was based in the Community Centre last year, she hatched a plan to celebrate the amazing sport, active and wellbeing offerings we have in Paetūmōkai Featherston!

So why are we having an event that celebrates wāhine?

Because last year, we were so pleased to receive funding from Manatū Wāhine, Ministry for Women, New Zealand as part of their Physical Activity and Wellbeing fund, in celebration of Aotearoa hosting the FIFA Women's World Cup!

We are blessed to have a huge offering of activities in Featherston, wāhine only and mixed gender, there is something for everyone!

Join us Saturday 17th February 11am - 2pm, at the 'Featherston Rec'.

This event is not exclusively for women, but it is very much in celebration of them. And of course, the Property Brokers Featherston Sports Hub open day running at the same time and is also inclusive for everyone!
