FEATHERSTON  
COMMUNITY  
CENTRE

1st December

## Happy Holidays

Kia Ora, everyone.

This December the centre is still a buzz with workshops, social connections and classes! We are still expecting it to continue right up until the centre being closed for a two week break.

The Featherston Community Centre will be closed from Tuesday 23<sup>rd</sup> of December and will reopen on the 5<sup>th</sup> of January 2026, we will miss all your friendly faces and look forward to returning next year!

Next year's bookings are filling fast as Renee and Jasmine are working hard to bring some exciting workshops to the centre for next year.

If you would like to see the exciting developments please follow us on our Facebook page which is updated almost daily!

We'd also like to gently remind our community that our work is made possible through your kindness. If you're able to contribute time, resources, or support in any way, we would love to hear from you.

Together, we can continue to uplift and strengthen the lives of those who need it most. Thank you for being part of our journey.

Enjoy this month's newsletter!

## Community Centre News

A big thank you to everyone who turned up to the Crafters Market, while the turn out was not as big as last time we will continue to host markets for the meantime!

The seed bank is back up and running! It has been placed in a better position in the small kitchen. With news of there being an online catalogue so you can

look before coming in! Updates to come.

New and old classes will be coming to the centre next year it will be the perfect time if you have ever wanted to learning, knitting, crocheting and more!

We will be running expressions of interests very soon.

### Staying Safe Workshop

Age Concern is hosting a free staying safe while driving workshop at the Featherston Community Centre, a refresher course for older drivers.
